

TAS CITIES AND TOWNS

OPTICAL FIBRE

Acton Park	Dodges Ferry	Kingston-Blackmans Bay	Perth	South Arm
Bagdad	Evandale	Lanena-Blackwall	Pontville	St Helens-Stieglitz
Beaconsfield	Exeter	Latrobe	Port Sorell	St Marys
Beauty Point	Fern Tree	Lauderdale	Primrose Sands	Sulphur Creek
Bicheno	Forth	Launceston	Queenstown	Swansea
Binalong Bay	Franklin	Legana	Railton	Triabunna
Bridgewater	Gawler	Lewisham	Richmond	Tullah
-Gagebrook	Geeveston	Longford	Rosebery	Turners Beach
Bridport	George Town	Low Head	Rosevears	Ulverstone
Burnie-Somerset	Gravelly Beach	Margate	Scamander	Westbury
Cambridge	Grindelwald	New Norfolk	Scottsdale	Wynyard
Campbell Town	Hadspen	Old Beach	Seven Mile Beach	Zeehan
Cremorne	Heybridge	Opossum Bay	Sheffield	
Cygnet	Hobart	Orford	Smithton	
Deloraine	Howden	Otago	Snug	
Devonport	Huonville-Ranelagh	Penguin	Sorell-Midway Point	

This is an indicative list of towns that will receive some fibre coverage. Many of these towns will also receive some wireless coverage. The list is based on initial detailed modelling work done by NBN Co which may be subject to change following more detailed planning and design work. The fibre modelling is based on NBN Co's current optical fibre design rules rather than detailed premise and density and may not result in contiguous coverage of all locations within the indicated fibre footprint.

TAS CITIES AND TOWNS

NEXT GENERATION WIRELESS

Branxholm	Dover	Kettering	Ridgley	Woodbridge
Campania	Dunalley	Lilydale	Ringarooma	
Carrick	Eaglehawk Neck	Mole Creek	Sisters Beach	
Collinsvale	Hillwood	Nubeena	Stanley	
Dilston	Kempton	Oatlands	White Beach	

This is an indicative list of towns that will receive some wireless coverage. The list is based on initial detailed modelling work done by NBN Co which may be subject to change following more detailed planning and design work. The wireless modelling does not take into account terrain modelling and clutter, and may not result in contiguous coverage of all locations within the indicated wireless footprint.
